

The Minocqua 2,021 square feet

Minocqua, Wisconsin has one of the largest concentrations of fresh-water lakes in the world – more than 3,200. Countless clear streams, brooks and wilderness lakes teem with a variety of sport and panfish.

THE MINOCQUA

MAIN LEVEL FLOOR PLAN

UPPER LEVEL FLOOR PLAN

The Minocqua's smaller scale and simple design create a cozy and authentic space inside, hearkening back to a time when the cabin was a more natural and intimate family home. And yet, adding to the Minocqua's size are generous porches which bring the entertaining and leisure functions outside, and celebrate the cabin's natural surroundings. Abundant windows also marry the interior and exterior spaces, complementing both.
